Headline:
Another chilly night with some frost, but warm again tomorrow.

This Evening and Tonight:
This evening and overnight, skies remain clear, allowing for another chilly night, though remaining dry and fine. Some patches of morning frost for many, and possible fog patches in prone areas. Minimum temperature 0 deg C (32 deg F).

Sunday:
With another chilly start, cloud clears the region before dawn, allowing for bright skies, and dry, fine conditions throughout. Feeling warm, but staying windy in southern areas. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Turning cloudy on Monday, but remaining dry through to Tuesday morning, before showers move in. Drier on Wednesday. Initially warm but turning cooler with a continued overnight frost risk.
